IOSH Managing Safely *tailored to HealthCare*

This comprehensive three day IOSH Accredited course provides managers with a basic introductory grounding in health and safety at work. It concentrates on training delegates to apply sound management principles to health and safety, and is divided into eight different modules, some of which are tailored to the Healthcare Sector.

Course Benefits

On Successful completion of the course delegates should be able to:

- Apply basic management principles to safety and health issues
- Recognise safety and health hazards in the workplace
- Ensure what actions should be taken when incidents involving injury or damage occur
- Communicate effectively on safety and health issues

Key features of the course include:

- ✓ Identification and achievement of desired workplace behaviours
- ✓ Competence based training with practical exercises
- ✓ Formal assessment of skills as well as underpinning knowledge

Who should attend?

Anyone with responsibility for health and safety - Personnel managers/supervisors, Premises manager/supervisors, Administration managers/supervisors, Facilities managers/supervisors, Operating managers/co-ordinators.

Course Location: On-Site at your premises

Course Duration: 3 Days, 9.00am - 4.30pm (dates to suit you)

No. of Delegates: 15 delegates max (min 5)

The course requires about 25 hours of direct tuition time with exercises and workshops included. It is assessed by way of an examination followed by a work based project.

Course syllabus covers:

- ✓ Human factors affecting safety
- ✓ Accident and injury causes
- ✓ Health and safety law
- ✓ Communicating health and safety effectively
- ✓ Infection Prevention & Control
- ✓ Management of safety
- ✓ Common Hazards
- ✓ Specialised hazards

Module 1: Safety management

Module 2: Reactive monitoring

Module 3: Risk assessment and risk control

Module 4: Active monitoring

Module 5: Review and audit

Module 6: Health and safety legislation

Module 7: Hazards - general

Module 8: Hazards - organisation specific

IOSH Managing Safely Certification:

The course prepares delegates for a short multiple choice test and practical assessment leading to the award of the IOSH Certificate in 'Managing Safely' for successful candidates.

Delegates Receive:

IOSH Managing Safely course folder with comprehensive course notes, and IOSH Managing Safely Certificate when successfully passed the assessment procedures.
