Vehicle Banksman - LGV's, Vans, Artics, FLT's

Most accidents occur as a result of poor observation and an inability of the driver to judge the length of the vehicle and pivotal point of the rear axles. Reversing requires the application of basic mechanical principles and all round observation on the drivers part.

This aim of this half day course is to provide delegates with with the necessary skills to control vehicles on-site or other places of work

Who should attend?

Banksman, reversing assistants/yardsman who are responsible in the manoeuvring and loading/unloading of vehicles, as well as employees who are involved with vehicle movements in factory yards/warehouses/loading bays/storage depots.

Course Location:	On-Site at your premises
Course Duration:	1 Half Day 3Hrs (date to suit you)
No. of Delegates:	4 delegates max

Course syllabus covers:

- Statutory requirements (INDG 148) & The Workplace (Health Safety & Welfare Regs.'92
